— Founded 1972 —

Golf World Hall of Fame Award Winner - Best New Redesign

Balcarrick Golf Club

Founded 1972

About the Course

Nestled between the Irish Sea and Broadmeadow Estuary, in Donabate, County Dublin, Balcarrick Golf Club offers a unique golfing experience that seamlessly blends the charm of parkland with the challenge of an estuary-style layout. Our course provides a welcoming, yet challenging environment for all.

In constructing this championship course, the original design was further enhanced with an award winning redesign, emphasising the features of the original course design. New teeing areas, bunkers, accentuated strategic mounding and re-shaped green surrounds were constructed, along with a significant upgrade to the irrigation and drainage system, together with the planting of nearly 20,000 shrubs.

Complimented by our existing greens, which are widely regarded as some of the best in Leinster, Balcarrick Golf Club is a true gem in Ireland's golfing capital.

Length:

6,256 metres | 6,842 yards

.....

Strengths of Course

Challenging layout with water a prominent feature, coming into play on 12 holes. A blend of links and parkland features, with firm fairways and manicured, fast greens along with thick rough, undulating green surrounds and a blend of trees and gorse.
